

A Note from the Director

Thank you for joining us for the world premiere of *Ascension*. We are excited to share this experience with you.

We've thought of this play as part escape room, part extended reality, part traditional play. You are a large part of how this play works. During the play you'll be asked to participate in many different ways. So, when you are talked to, don't be afraid to talk back. We are using a lot of different immersive elements to expand the world of the play to include you.

Thank you for playing with us. We've missed you.
