

**NOTES on an "in progress"  
workshop/cabaret/theater piece.**

What IS THAT, exactly? Well, it really means, we are WORKING ON WHAT IT IS! At the start, JOHN had a VISION, a complicated, dreamy, mixed media theatrical LANDSCAPE full of COUNTLESS ILLUSIONS and WONDER, SMOKE AND MIRRORS. He also had a TEXT, a story, a PANDEMIC STORY. A story- in its very own way- about living through last year. So instead of a THEATRICAL WONDERLAND in order to EXPLORE our STORY, we now have AN EMPTY STAGE THREE PROPS, (a crutch, some handi-wipes, some fabreeze) Some "COVID" costume elements. Some lighting cues. SPOILER ALERT, there will be ONE special effect! And in addition to JOHN, two actor/singers as our COVID CHORUS. And two excellent LIVE MUSICIANS onstage to collaborate with us. We are "down and dirty", to help us to get to the HEART OF THE MATTER. And speaking of HEART, HEARTFELT THANKS for joining us at this brand new BEGINNING!

*always love D.*

Odyssey is a not-for-profit organization and is the proud recipient of generous support from local, private and state funding agencies for 2021/22.

The Odyssey is deeply grateful to Congress for establishing the Shuttered Venue Operators Grant program, of which the Odyssey is among the many benefactors. We would also like to thank the California State Legislature for their financial support through the Small Business COVID-19 Relief Grant.
